difficult time we have all faced together.

Listen to the song again and jot down how this song made you feel. What is this song about? What instruments does it use? Do you like it? Why?

sandwiches. Use your baking skills from art week (when you made Italian biscuits).

Remember they need to be healthy sandwiches! You can rewatch the video from last session:

https://www.youtube.com/watch?v=03Dtyv_nzR9U ***Note to parents- please open link beforehand to skip over any adverts that may not be suitable for children**

You will need bread, sandwich filler (ham, cheese, butter etc) and some salad (cucumber, tomato, lettuce etc). Use whatever you have in the house, **do not go out to buy ingredients especially for the task.**

***Please supervise your child whilst they make a sandwich, do not leave them alone with a knife. Ensure they wash their hands beforehand.**

Invite your family along and enjoy!! 😊

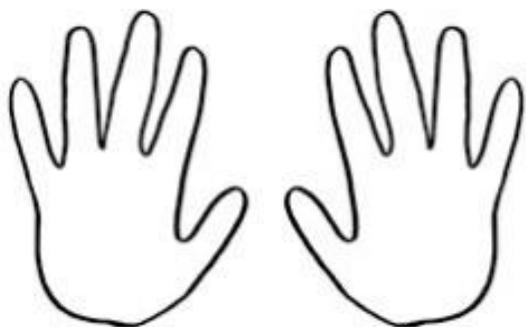

Week commencing - 20.07.20

Monday

Activity 1:

It is important to set yourself new targets every now and then for personal growth! What better time to do this than the start of a new academic year!

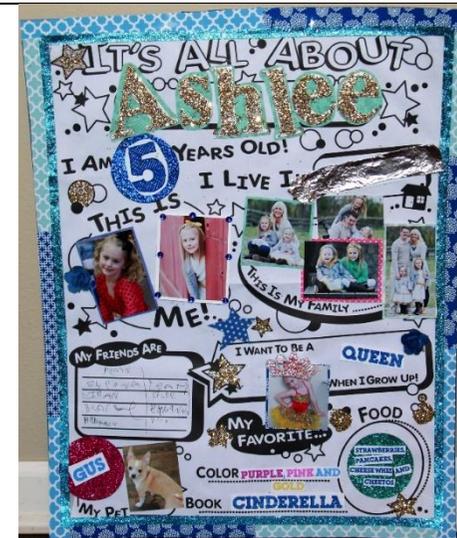

Draw around your hand. On each finger write out a target that you would like to focus on next year! You should have 5 targets altogether. Your targets do not necessarily have to be academic, they could be related to out of school activities, e.g. to go up a belt colour in karate class, to improve handwriting, to make more friends etc. Once you have done that, decorate and colour in the hand!

Tuesday

Create a poster about yourself. This will be for your new teacher! 😊 Tell your teacher a little bit about yourself, then when you see them, you can give them your posters!

Tell them about your hobbies, how many siblings you have, what is your favourite subject, what are you looking forward to in year 4 etc. Here is an example:

Or follow this template:

https://www.primaryresources.co.uk/pshe/docs/what_makes_me_special.doc

Activity 2:

Make your own 'ice cream cone' - how creative can you be with your sauce and sprinkle topping? Full Twinkl instructions on Class Dojo.

Ice Cream Cone

Supplies

- Cotton wool balls
- Brown or beige coloured card (rectangular shaped)
- Brown pencil crayon
- Tissue paper
- Small pom-poms
- Small round beads
- PVA glue

- Sticky tape

Cannot get to the seaside? Create your own - what will you include - make it as realistic or fantastical as you like! Full Twinkl instructions on Class Dojo.

Seaside In A Bottle

Supplies

- Plastic water bottle
- Sand
- Assortment of shells
- Pebbles
- Funnel
- Blue food colouring
- Washing up liquid

- Card
- Fine line pen
- Ribbon or string

Activity 3:

Memory jar

Find a jar, cup or bottle and label it "memory jar". Then fill it with all of the good things you have done in year 3 and during lockdown.

Next year you can pull the memories out and remember them.

Graduation

Happy year 3 graduation!

Write a speech to perform to your family all about the year you have had.

You could also make a mortarboard to wear and print off your own certificate!
