We have a number of opportunities where we can support each other.

We are always looking for ways that benefit both the school and our school community.

Opportunities available are:

- Advertisement in our Summer Fayre brochure £50 full page or £25 for half page.
- Have a stall at the Summer Fayre Event - pitch fee £15. Name will feature in exhibitors list within brochure.
- Donate - are you a supplier who can provide items for our events? Full acknowledgement will be given on all advertising.
- Sponsorship - there's lots that you can contribute too. Full acknowledgement will be given on all advertising.
- Donate your service - we have lots of printing that incurs cost. Anything you can do to help will be grateful.
- Would you be willing to host a board outside your property promoting our Summer event.

If your answers are yes to any of the above, please contact ptarisepark@hotmail.com or pop a note in

the PTA post box with your name and contact number. Deadline for responses will be **Monday, 8 April**.

If summer is not the right time for you, there will be opportunities again later in the year for our Winterfest 2019 event.
